Even if you wanted to live somewhere rural, there must have been plenty of other options.
Um.
We decided we'd come here to live with my Mama's friend..

My bad...
M-

I refuse!!
If you want to apologise properly you've got to say "I'm sorry" ♡ and be all bashful about it.
You're such a tsundere, Kei
CHATTER
Right?
!!
When you talk that way you're acknowledging that you did something wrong, but it doesn't sound like an apology
CHATTER
It was my bad, so I said my bad!
CHATTER
Hehe...
How nice
The feeling I used to get at my old school when I played around with my friends.
You know, Mika...
I miss that feeling.
You guys are really good friends, aren't you?

Go Mika!
C'mon, Kel! Be honest now! ♡
